

Prompt for Image Creation:

Redesign the poster for a university workshop to be bold, funky, colourful, and highly eye-catching, while keeping the text minimal and readable from a distance.

University: RV University

Venue: RV University, Bengaluru

Branding: Use RV University logo subtly but clearly (top or bottom corner).

Poster style:

Modern, futuristic, Gen-AI aesthetic

High contrast gradients (electric blue, neon purple, teal, magenta)

Dynamic layout (asymmetry, glow effects, depth)

Not plain, not corporate — energetic and student-centric

Main visual focus:

Large abstract AI brain / neural network / holographic tech visual

Bold lighting and glow effects

Visual should dominate more than text
